Tourist Attraction Points:

The property is in close proximity to some of L'Escala's most picturesque coves and beaches, such as Cala Montgó and Cala Illa Mateua. In addition, Empuries is famous for its archaeological sites and ancient history, which adds an attractive cultural touch. The unique beachfront location promises panoramic views that will captivate visitors.

Data on the Profile and Purchasing Power of Tourists:

In the last 5 years, L'Escala and the Costa Brava have experienced a steady increase in the purchasing power of tourists. The region has attracted travelers looking for exclusive, high-end experiences, making building a 4-star hotel an extremely attractive proposition.

Hotel Occupancy Data:

Hotel occupancy statistics in L'Escala and the Costa Brava support the viability of this project. Tourism demand has maintained an upward trend, indicating a dynamic and growing market.

Connections and Tourist Offer:

The property has excellent road connections, being located at a comfortable distance from both Barcelona and Girona, with easy access to airports and high-speed stations. The Costa Brava, known for its diverse tourist, gastronomic and musical offerings, provides an ideal environment to attract a sophisticated clientele.

Price & Feasibility:

Priced at €6,000,000 (taxes not included), this beachfront plot offers exceptional return on investment potential. A feasibility study for a 4-star hotel is included, providing a solid basis for the development and successful management of the project.
