large cars and its accessibility is very good and comfortable. The square has a price of 20,000 euros and is optional.

It has a communal area with planters and benches to sit on. There is also a spectacular terrace overlooking the city.

The access door to the street does not work with a key, the opening works with code.

Its location is excellent!

Semi pedestrian street with the emblematic streets around and next to the Sant Antoni market.

Very well connected with two metro lines next door and with several bus lines, biking, various services ...; with a variety of shops and shops around.

Absolutely with all services!.

Come and visit the perfect apartment in an emblematic neighborhood like the Raval of the city of Barcelona, with everything you could want.

Great opportunity for the characteristics that define it and price.
